

Welcome to the YCC Lockdown Trail! We're so glad you're taking part and hope the trail will be both fun and encouraging. We've got a total of 13 locations to find around Tang Hall, Osbaldwick and Burnholme – how many can you get?!

The theme of the whole weekend is 'growing' so each stop will have an idea to help us grow in our relationship with God and a video with a challenge to complete, accessed by scanning the QR code (these might be in car windows but should still work through the glass!) Remember, you can start at any point on the trail and make your own route. Have fun!
